Help UK Air Ambulance Services by  
recycling your Used Postage Stamps!

The UK's Air Ambulance Services are charities which receive no government funding and rely entirely on charitable donations to continue flying and responding to life threatening medical emergencies.

We are now volunteering our time to help raise funds through the recycling of postage stamps.

All funds raised will be donated to the Association of Air Ambulances to be distributed equally to all UK Air Ambulance Services

Whether they're British or overseas, new or used, send them to us and we'll turn them into funds to keep the UK Air Ambulance Services responding to life threatening medical emergencies.

All you need to do is cut or carefully tear the stamped corner from any envelope or packet that you receive in the post and start a collection.

Once you have a large bundle, bag them up and send them to us at the
