

Week Ending 27th April 2018

Foundation Class Need Your Help!

Do you have any scooters, bikes or similar to the ones shown here that you no longer need at home? Foundation class are in desperate need of these kind of toys to use in their playground but unfortunately at present the school doesn't have the funds to buy any new ones. If you have any toys that are still in good condition we would greatly receive them at school. Many thanks for your help in advance.

Easter Reading Challenge

Well done to everyone who took part in the Easter reading Challenge over the Easter break. The results are now in...

Winner = Year 1
2nd = Year 2
3rd = Year F
4th = Year 6
5th = Year 5
6th = Year 4
7th = Year 3

Bread Making in Year 4

This week in Year 4 the children have been making bread. The class started off using salt dough to practice molding the shapes they liked for their bread. After the trial run, they moved on to use proper bread dough and added in their chosen flavours to taste.

Reminders

- Please can we ask that all dinner money is paid either in advance or on the day. At present we have a number of parents who are building up large arrears which we won't be able to continue indefinitely. We would really appreciate any debts are cleared ASAP.

Scooter & Bike Safety

Please can we remind you that scooting or cycling on the school grounds is not allowed. We also need parents to make sure their children are watching out when they cross over in front of the school car park gates and generally be more aware of those around them. We have recently had a couple of near misses. Please be careful!

Lost Glasses

We have a pair of reading glasses that have been left on the reception desk by the office this week. They are in a black GUCCI case. If you think they belong to you please come to the office to claim them.

School Attendance Figures

Well done to Year F who had the highest attendance figures of **99.67%** for the week commencing 16th April. Which class will it be next week?
