A huge thank you to the FOPH for funding the show and for everyone who has supported them throughout the year!

Visit from Mr John Miller, Shoemaker.

This week we had a very interesting visit from local man shoe maker Mr John Miller. Mr Miller told the children of KS2 all about his life working as a shoemaker and all his adventures throughout his career. It was fascinating to hear about his colourful life and all of the famous people he has met and worked with along the way.

There is a new section on the school website which has all sorts of information we think you might like to know about called, "Thought You'd Like To Know". Find this section at the bottom of the Newsletter page. Any thing the school receives we think is of interest to you will now appear here.

Parking by the School.

Please can we ask once again that all people park considerately when dropping off or picking up their children at school. Please make sure you don't block any of our neighbours drives, park on the zigzag lines by the school or block the school gates. Thank you.
