Cookies (not the edible ones) and how you use this website

To make this website easier to use, we sometimes place small text files on your device (for example your iPad or laptop). These are known as ‘cookies’. Most big websites do this too.

They improve things by:

- remembering the things you’ve chosen, so you don’t have to keep re-entering them whenever you visit a new page
- remembering data you’ve given (for example, your address) so you don’t need to keep entering it
- measuring how you use the website so we can make sure it meets your needs.

By using our website, you agree that we can place these types of cookies on your device.

We do not use cookies on this website that collect information about what other websites you visit (often referred to as privacy intrusive cookies).

Our cookies aren’t used to identify you personally. They’re just here to make the site work better for you. Indeed, you can manage and/or delete these files as you wish.

To learn more about cookies and how to manage them, visit AboutCookies.org or watch a video about cookies.
