HOW IT WORKS

We turn your daily shopping into every day magic!

Easyfundraising partners with over 7,000 brands who will donate part of what you spend to a cause of your choice. It won't cost you any extra. The cost is covered by the brand.

Brands pay us a commission because when you start to shop from the easyfundraising website or app, they can see that we sent you to them. If you make a purchase, a commission is generated and we turn that into a donation—magic!

The advertisement features the Easyfundraising logo at the top, followed by the text 'Help raise free funds for our school every time you shop online'. Below this, it says 'Join easyfundraising today and search for Parsons Heath PTFA'. A quote from a retailer states: 'Thousands of well-known retailers will give us a free donation when you shop with them - at no cost to you!'. A section titled 'Shop at over 4,100 online stores' lists various retailers including M&S, Marks & Spencer, John Lewis, Amazon, eBay, and others. At the bottom, there are buttons to 'Download the app' from Google Play and the App Store. The footer mentions 'Over £20 million raised' and '1.8 million users'.
